## The Arches Philosophy

Arches Health Plan is a non-profit co-op health insurance company launched in 2013 to provide a better health insurance option to individuals and businesses throughout Utah. Since the launch of the Affordable Care Act, Arches Health Plan is proud to welcome tens of thousands of Utahns as members. Arches is committed to making health care better, and more affordable for its members.

1) Only at in-network Primary Access clinics.  
 2) In most plans the deductible is waived for any accident-related medical services received within 90 days of the accident. For costs and complete coverage details, including limitations and exclusions, visit [ArchesHealth.org](http://ArchesHealth.org).
