Membership Program and the Marks related to the Membership Program to customers who reside at any location, including any location near the Premises. We may purchase or be purchased by, or merge or combine with, competing medical clinics, membership programs, and similar business, wherever located.

3.2 Member Payments. You shall collect from Members a copay or fee (currently \$10 per visit for “home” clinics and \$25 per visit for “non-home” clinics) at the time of each visit by a Member who receives Medical Care from your Practice.

3.3 Payment for Services. We will pay to you monthly service fees (the “Service Fees”) based on the payment amounts, schedules, rules, processes and in the manner outlined in the Membership Program Manual. Typically, the clinic that provides Medical Care to a specific Member in a given month receives a specified per-Member amount or percentage of the monthly Membership Fees of such Member, depending on whether the Medical Care was primary care, urgent care, or specialty care. These visits and transactions are reconciled on a monthly basis. You acknowledge that you will not be paid any Service Fees on amounts due from Members that are sent to an outside collection agency or for which, or our affiliates or assigns, commence legal action, arbitration proceeding or refereed mediation. You will take reasonable and legal steps to assist us to collect Membership Fees and ensure that such are properly deposited with us, unless otherwise provided in the Membership Program Manual.

We require all membership applications and payment plans submitted by potential Members and Patients, together with the related automatic account withdrawal, automatic payment, credit and debit card payment, automatic pre-authorized payment plan, electronic funds transfer and other forms of direct or Internet payment, through us or through service providers and using processes we designate and outline in the Operations Manual. The companies we designate to process memberships and related payment arrangements may include companies that are affiliated with us or in which we or our owners otherwise have ownership or control.

3.4 Membership Fees. The monthly membership fees will be collected by our system and deposited into our designated account(s). You acknowledge and agree that it is a substantial and material breach and default of this Agreement if you: (i) perform unauthorized deposit or withdrawal of Membership Fees, or (ii) co-mingle your funds with Membership Fees.

3.5 You Will Pay Taxes, Indebtedness, and Costs. You will pay all taxes, assessments, liens, encumbrances, accounts, and other debts, regardless of their nature, assessed against you, the Premises, or inventory, materials, fixtures, and equipment used in your Practice. Payment will be made when due and before delinquent except when being contested in good faith by appropriate proceedings. If we are charged with any tax by the authorized taxing authority of any state or political subdivision, including taxes on sales made to or licenses granted to you, or sales made by you at the Premises, you will pay those taxes and otherwise agree to allow us to deduct any amounts we paid. All costs associated with the Practice will be your sole obligation. We will have no costs, liability or expense whatsoever with respect to your License or medical practice. You will pay promptly when due all indebtedness you incur in connection with the Practice and in your dealings with Patients and our other licensees or associates.

3.6 Records. You will keep a complete and accurate set of books and records of Members and Membership Program transactions related to your Practice. You will date, file in

consecutive order, retain for a period of six years, and make available to us for inspection and audit of all your records.

3.7 **Audits.** We may audit your reports, books, statements, business records, cash control devices and tax returns at any time during normal business hours. Audits will be conducted at our expense. You will immediately take steps to fix any discrepancies and authorize us to adjust any future Service Fees to counter-balance any previous overpayment. Our right to audit will include the right to examine the books, tax returns and records of other businesses that you own or operate, in whole or in part, to determine whether all revenue to be reported by you has been properly reported and that appropriate fees and contributions have been paid.

4. TRAINING

We will provide training to you as we deem reasonable and advisable in our sole and absolute discretion, including aspects of our Membership Program and Medical Protocol. We may require that you or your team members complete training to our satisfaction. Such training shall be provided to you at no cost. Training may be conducted at locations or through video conferencing as we reasonable designate.

5. STANDARDS OF OPERATION

5.1 **Membership Program Manual.** Any developments we will make for the benefit of the System and our affiliates and service providers are essential to your involvement in our Membership Program. The continuous development of the System is an important and beneficial aspect of our relationship. We agree to lend to you a copy of the Membership Program Manual. The Membership Program Manual may be delivered to you by hard paper copy, CD-ROM, via an Intranet, Internet, or other downloading mechanism to your computer or via another medium chosen at our discretion. The Membership Program Manual describes the System, including specifications, standards, operating procedures, marketing ideas, membership program requirements and control techniques, and other rules that we may prescribe from time to time. The Membership Program Manual is and will remain confidential and our exclusive property. You will not disclose, copy or duplicate any part of the Membership Program Manual for any reason without our prior written authorization.

From time to time we may amend the Membership Program Manual, including changes that may affect minimum requirements for your operations. You will adhere to the requirements of the Membership Program Manual as we amend it from time to time. You will implement promptly all changes at your cost, unless we otherwise specify. We reasonably may restrict you from producing, stocking, and selling certain goods and services as specified in the Membership Program Manual.

5.2 **Standards to Be Maintained.** You will follow the System and maintain standards of service that we prescribe. Among other things, you will:

1. Ensure that at all times, your employees are adequately trained in the use of the System and under the direct, on location supervision of you or a trained and competent physician, nurse practitioner, or physician's assistant (as may be required by local or state law) and/or a manager who has been approved and trained by us. Secure and submit within 7 days to us a Confidentiality and Non-Circumvention Agreement, in the form we designate, signed by all new employees you hire that are involved in the Membership Program.

2. Help us to enroll new members or convert existing Patients to Members in compliance with this Agreement, the Member Agreement, and our Membership Program Manual. When assisting us to enroll new members or convert existing Patients, you will not avoid compliance with this Agreement, the Member Agreement, or our Membership Program Manual in order to inflate growth, win awards or earn payments from us or for any other reasons.
3. Strictly comply with the Clinic Rules and the Membership Program Manual.
4. Use commercially reasonable efforts to help us enforce the Member Agreement and Clinic Rules throughout the System.
5. Provide information to us in the format we request and in a timely manner.
6. Work with all Members and Patients that are part of the Membership Program, regardless to whom such member or Patient is assigned. You will ensure that all communications and interactions are professional, courteous, and responsive and not engage in any behavior nor make any representations we reasonably determine to reflect negatively on us or our goodwill or the goodwill associated with the Marks.
7. Help us to record, track, and account for all Members and Membership Fees through our computerized system or as otherwise reasonably designated by us.
8. Maintain your, and our, business reputation by prompt payment of all bills, debts, expenses, and charges arising from your Practice and your operations and prompt payment of all taxes, license and permits required by any governmental unit. You are responsible for all your own expenses and costs of doing business.

You understand and acknowledge that the failure to comply with and uphold these provisions can lead to disciplinary actions up to and including termination of the Clinic Affiliation Agreement.

B. We may enter upon the Premises at reasonable times to verify your compliance with the terms of this Agreement. You and anyone acting as your agent will cooperate fully with us and our agents in connection with these inspections, observations and interviews.

C. You will not sell or dispense any products or services or activities as part of the Membership Program other than those we specifically recognize and approve in writing.

D. At all times you will ensure that your copy of the Membership Program Manual and any other manuals given to you are kept current and up to date. In the event of any dispute as to the contents of the Membership Program Manual, the terms of our master copies maintained at our principal place of business will be controlling.

5.3 You Are to Obtain Permits and Licenses. You will comply with all applicable ordinances, regulations, bylaws, laws and statutes. Prior to providing Medical Care to our Members pursuant to the Membership Program, you will obtain all necessary local permits, licenses, and improvements and business forms, including without limitation any permits or licenses required to be part of a discounted or pre-paid medical program, as applicable in your local jurisdiction.

5.4 Advertising Standards. We will direct all local, regional, national, and international advertising programs. We will have sole discretion over the creative concepts, materials, endorsements, placement and allocation of money for all advertising.

Except with our prior written permission, you will not, under any circumstances, place advertisements using the Marks in any area, including in or originating from the market area immediately surrounding the Premises, as outlined in the Membership Program Manual. All Internet and social media marketing using the Marks must be coordinated through us and approved by us. You may not market the Membership Program independently on the Internet or in social media or acquire an independent Internet domain name or Web Site. Unless the context otherwise indicates, any reference to the Internet and social media includes methods of accessing limited access electronic networks, such as Intranets, Extranets, and WANs. You may continue to advertise your independent clinic through any means you deem appropriate but must comply with the terms of this provision when using or referring to the Marks in any such advertising media, method, or campaign.

You will use the Marks in strict conformity to the Membership Program Manual and will include in any advertisement, or promotional materials that use the Marks, appropriate trademark notices as may be required by the Membership Program Manual. All copyrighted materials we supply to you or are otherwise used by you in connection with the Membership Program will contain copyright notices as required by the Membership Program Manual.

5.5 Marks, Membership Program Manual, and System Are Our Exclusive Property. You agree that the Marks, Membership Program Manual, and System are our, our parent's, and our affiliate's sole and exclusive property. Except for the rights granted to you by this Agreement, nothing in this Agreement or any other agreement will give you or others any right, title, or interest whatsoever in or to the Marks, Membership Program Manual, or System. You will not use the name Medallus or other Marks as any part of the name of your corporation, limited liability company, or other business organization of any kind or for any similar purpose.

You will immediately notify us of any infringement of, or challenge to, your use of the Marks. We will have sole discretion to take or not to take action, as we deem appropriate. If we undertake the defense or prosecution of any litigation involving you or any litigation involving the Marks or the System, you agree to execute any and all documents and to undertake any and all actions, which in the opinion of our counsel are necessary or advisable to carry out the defense or prosecution.

Any and all goodwill associated with the Marks, including any goodwill that might be deemed to have arisen through your activities, will accrue directly and exclusively to our benefit, except as otherwise provided by applicable law. You appoint us as your agent and attorney-in-fact to amend or cancel any Registered User or Business Name filings obtained by you or on your behalf that involve or pertain to the Marks.

From time to time there may be controversy about this Agreement, its interpretation, or performance or breach by the parties. You recognize the unique value and secondary meaning attached to the System, the Marks and our standards of operation and trade practices. You agree that any noncompliance with the terms of this Agreement or any unauthorized or improper use of the System or the Marks will cause irreparable damage to our licensees and us. You agree that if you engage in any unauthorized or improper use, during or after the period of this Agreement, we will be entitled to both permanent and temporary injunctive relief from any court of competent jurisdiction in addition to any other remedies prescribed by law.

All the improvements, inventions and developments you make, develop or create for use in the System or arising from or related to the Membership Program or any of our Confidential

Information will be our property and we, our parent, and our affiliates alone will hold any patent, trademark registration or other form of protection for those improvements, inventions, developments, processes, methods and practices.

5.6 The Marks, Membership Program Manual, and System May Be Changed. You acknowledge that the Marks, Membership Program Manual and System, including any future amendments or modifications to them, have substantial value, and that the conditions, restrictions, covenants not to compete, and other limitations imposed by this Agreement are necessary, equitable, and reasonable for the general benefit of you, us, and others enjoying any lawful economic interest in the Marks, Membership Program Manual, and System.

We may change or modify any part of the Marks, Membership Program Manual, or System from time to time at our sole discretion. You will accept, use, and protect, for the purposes of this Agreement, all changes and modifications as if they were a part of the Marks, Membership Program Manual, and System at the time this Agreement is executed. You will bear all costs and expenses that may be reasonably necessary as a result of such changes or modifications. Under no circumstances will we be liable to you for any damages, costs, losses, or detriments related to any of these changes or modifications.

Complete and detailed uniformity of the Marks, Membership Program Manual, and System under the varying conditions to be experienced by our affiliates and service providers may not be possible or practicable. Therefore we reserve the right, at our discretion, to accommodate your special needs, or those of any other of our licensees.

5.7 Non-Disclosure of Confidential Information. You acknowledge that you will receive valuable Confidential Information. You specifically acknowledge that our Confidential Information is proprietary to us, and remains our sole exclusive property. You further acknowledge that our Confidential Information is unique and novel to us. You will return all materials such as operations manuals and all other material you receive from us to us upon expiration or termination of this Agreement. You also acknowledge your responsibility to us for any misuse or publication of the Confidential Information by any of your employees. You agree not to copy, download to Internet, intranet, modem, fax, e-mail, mail, divulge, or send any Confidential Information directly or indirectly to any other person or enterprise outside of the System. During the term of this Agreement and after it expires or is terminated, you will never communicate, fax, e-mail, post on an Internet electronic bulletin board, divulge or use in any other manner, either for your benefit or the benefit of any other person, persons, partnerships, associations, companies or corporations any Confidential Information.

You agree to not communicate or divulge the contents of our Membership Program Manuals or any other information related to the System or to the operation of the Membership Program or the System to any person or entity except to your manager or other employees as we authorize in writing. You may only use the Membership Program Manual in the course of your performance under this Agreement, subject to the provisions and duration of the Clinic Affiliation Agreement. You agree to fully and strictly adhere to all security procedures we prescribe for maintaining the confidentiality of the information. You agree to disclose information to your employees only to the extent necessary to conduct Membership Program business.

You will require as a condition of the employment of your employees and anyone else providing services to you that they maintain and protect our Confidential Information. You will ensure that all of your employees execute an approved confidentiality, non-disclosure, and non-competition agreement. You must follow our security procedures, which may include the execution of approved Intranet and Internet usage agreements. You will be responsible to enforce compliance with this Agreement by your employees. We may also enforce the nondisclosure agreement against your managers or employees, at our option. If you become aware of any

actual or threatened violations by any of your employees or anyone else providing services to you, you will promptly and fully advise us in writing of all related facts known to you. You will cooperate with us in all ways we reasonably request to prevent or stop any violation. This may include instituting or permitting to be instituted in your name any demand, suit or action that we determine is advisable. The demand, suit or action may be maintained and prosecuted by you and us at your expense. You will also require any third party to whom you disclose any of our Confidential Information, including but not limited to consultants, distributors, and agents, to execute an approved confidentiality, nondisclosure and non-competition agreement.

This section contains prohibitions based upon an understanding that you, your key employees, your officers, your partners, your employees, members and stockholders (as applicable) will possess knowledge of business and operating methods and confidential or proprietary information, disclosure of which would prejudice our interests and our other licensees.

If you develop any new concept, product, process or improvement in the System, you agree to promptly notify Medallus and provide Medallus with all necessary related information, without compensation. You assign to us all such concepts, processes or improvements and acknowledge that all such concepts, processes or improvements will become Medallus property, and Medallus may use or disclose such concepts, processes or improvements to licensees, Patients, and employees as we may determine to be appropriate.

5.8 Covenants Against Competition and Solicitation. You will diligently, faithfully, and honestly perform your obligations pursuant to this Agreement. You will use your best efforts to develop, promote and enhance the Membership Program. You will not engage in any activity or business enterprise that conflicts with or impairs these obligations.

During the term of the Clinic Affiliation Agreement and for a period of **720** days after its expiration or termination, for any reason and regardless of who terminates the Agreement, neither you nor your owners, shareholders, members, partners, directors, officers, employees, consultants, distributors, or agents, nor the members of your or their immediate families or households (who have access to or knowledge of the Membership Program Manual or System), will directly or indirectly participate as an owner, shareholder, member, partner, director, officer, employee, consultant, franchisor, franchisee, distributor, advisor or agent, or serve in any other capacity in any business (including any business in formation) engaged or to be engaged in any business that offers medical membership programs and pre-payment systems or that offers products or services that are essentially the same as, or substantially similar to, the products and services that are part of the Membership Program or the System. For greater clarity and the avoidance of doubt, this Section is not intended to restrict your ability to provide medical services in general. We may waive this covenant only in a writing signed by our President. During all of these periods, you agree to promptly and fully disclose to our President any business opportunity coming to your attention, or conceived or developed in whole or in part by you, which relates to our or our affiliates' business.

You acknowledge and agree that any and all Patients that have enrolled in the Membership Program as of the date of any expiration or termination of the Clinic Affiliation Agreement will continue as our Members and for at least 720 days after such expiration or termination you will not operate, solicit patients to enroll in, or offer any medical membership or pre-payment program.

These covenants apply within 50 miles of the Premises, and within 50 miles of any other Medallus office or territory (including any licensee or clinic), and within the United States of America.

We may waive this covenant only in a writing signed by our President. During all of these periods, you agree to promptly and fully disclose to our President any business opportunity coming to your attention, or conceived or developed in whole or in part by you, which relates to our or our affiliates' business.

For greater clarity and the avoidance of doubt, the non-competition covenants and restrictions outlined in this Section relate to medical and membership programs and pre-payment systems similar to the Membership Program and the System.

If you are not a licensed physician, this Section is intended to completely restrict your ability to operate a medical or urgent care clinic and/or medical membership or pre-payment program according to the restrictions outlined in this Section.

If you are a licensed physician and practiced medicine, this Section is not intended to restrict your ability to provide medical services in general. However, you may not operate, solicit patients for, or offer any medical membership or pre-payment program, according to the restrictions outlined in this Section.

You will ensure that you and your owners, directors, officers, partners, shareholders, members, employees, consultants, and agents, during the term of the Clinic Affiliation Agreement and for a period of two years after its expiration or termination do not:

- divert or directly or indirectly attempt to divert any of our business or any Patient, associate, franchisee, or employee to any competing urgent care operation or medical membership program or pre-payment system;

- undertake or attempt to solicit or otherwise agree privately with Patients, associates, franchisees, or employees to provide consultation or support related to any urgent care operation or medical membership program or pre-payment system, other than through Membership Program and the System or otherwise attempt to circumvent the Membership Program or the System;

- employ or seek to employ any person we employ or any other person who is at that time operating or employed by or at any of our franchises, or otherwise directly or indirectly induce these persons to leave their employment;

- act as a paid or unpaid advisor, employee, or board member or function in any other way affiliated with any urgent care operation or medical membership program or pre-payment system.

You and we stipulate that, in light of all of the facts and circumstances of the relationship between you and us, the covenants, restrictions and agreements referred to in this section (including without limitation their scope, duration and geographic extent) are fair and reasonably necessary for the protection of our confidential information, goodwill and other protectable interests. If a court of competent jurisdiction should decline to enforce any of those covenants and agreements, you and we request the court to reform these provisions to restrict your use of Confidential Information, non-solicitation, ability to compete with us, and any other covered topics to the maximum extent, in time, scope of activities, and geography, the court finds enforceable under Utah law or other applicable law.

You acknowledge that we will suffer immediate and irreparable harm that will not be compensable by damages alone if you repudiate or breach any of the provisions of this section and the section entitled "Nondisclosure of Confidential Information" above, or threaten or attempt to do so. For this reason, under these circumstances, we, in addition to and without

limitation of any other rights, remedies or damages available to us at law or in equity, will be entitled to obtain temporary, preliminary and permanent injunctions in order to prevent or restrain the breach, and we will not be required to post a bond as a condition for the granting of this relief. You also agree that a violation of any of these sections would entitle us, in addition to all other remedies available at law or equity, to recover from you any and all funds, including, without limitation, wages, salary, and profits, which will be held by you in constructive trust for us, received by you in connection with such violation.

You specifically acknowledge the receipt of adequate consideration for the covenants contained in this section and the sections entitled "Nondisclosure of Confidential Information" above and that we are entitled to require you to comply with these sections. These sections will survive termination or expiration of this Agreement. You represent that if this Agreement expires or is terminated, whether voluntarily or involuntarily, you have experience and capabilities sufficient to enable you to find employment or otherwise earn a livelihood in areas which do not violate this Agreement and that our enforcement of a remedy by way of injunction will not prevent you from earning a livelihood.

The provisions relating to interests in any other business will not apply to your ownership of outstanding securities of any corporation whose securities are publicly held and traded. Provided that you hold these securities for investment purposes only and that your total holdings do not constitute more than five percent of the outstanding securities of the corporation.

You will ensure that all of your owners, shareholders, members, partners, directors, officers, employees, consultants, distributors, and agents execute a confidentiality, nondisclosure, and non-competition agreement in a form approved by us.

6. RENEWAL

If you are not in breach of this Agreement, you may renew your Clinic Affiliation Agreement as outlined therein. You must execute our Then-Current Affiliation Agreement to renew. If you do not, we may conclude that you do not intend to renew. You acknowledge that fees will be set under the Membership Program Manuals or the Then-Current Affiliation Agreement and may vary materially from the terms of your Clinic Affiliation Agreement.

We may refuse to renew your Clinic Affiliation Agreement if you fail to satisfactorily comply with it or the terms and conditions outlined herein. The determination of satisfactory compliance will be within our exclusive discretion in good faith.

You have no automatic right to continue as our authorized service provider following expiration or termination of your Clinic Affiliation Agreement. If you continue to serve as our authorized service provider with our express or implied consent, following the expiration or termination of your Clinic Affiliation Agreement, the continuation will be a month-to-month extension of your Clinic Affiliation Agreement. Your Clinic Affiliation Agreement will then be terminable by either party upon 30 days written notice. All provisions of this Agreement will apply while operations continue.

7. TERMINATION

Either party may terminate the Clinic Affiliation Agreement as outlined therein. The following provisions are in addition to all other remedies available to us at law or in equity. We may immediately terminate your Clinic Affiliation Agreement and any other related agreements between the parties without other cause, and without giving you an opportunity to cure, if you (or your owners, officers or key employees):

- (1) Make an assignment for the benefit of creditors, make a formal or informal proposal to creditors to restructure debts because of insolvency, admit inability to pay obligations as they become due, file a voluntary petition of bankruptcy, do not obtain the dismissal of involuntary bankruptcy proceedings within thirty days of commencement, or are adjudicated bankrupt or insolvent.
- (2) Fail to operate your Practice continuously and actively for 14 consecutive days or for any shorter period after which it is reasonable under the facts and circumstances to conclude that you do not intend to continue to service our Members pursuant to the Membership Program or maintain a suitable premises.
- (3) Fail to comply with any requirement of this Agreement or of any related agreement between the parties within twelve months after having received the most recent of two or more Notices to Cure deficiencies in performance of the same or any other requirement pursuant to Subsection (A) above, whether or not you had corrected your earlier failures to comply after we delivered notice to you. This includes complaints for material ethics or Clinic Rules violations we find or have found to have merit
- (4) Make or have made any material misrepresentation or misstatement regarding your qualification and ability to service our Members or with respect to your Practice.
- (5) Allow the Premises to be seized, taken over, or foreclosed by a creditor, lien-holder, or lessor; let a final judgment against you remain unsatisfied for thirty days (unless a supersedeas or other appeal bond is filed); or allow a levy of execution upon the Premises or your Practice or upon any property used in the Practice that is not discharged by means other than levy within five days of the levy.
- (6) Are convicted of a felony, or are convicted of any criminal misconduct relevant to the operation of your Practice or the Membership Program. You understand and agree that if you or any of your partners, officers, or directors pleads no contest to a felony or has an adverse final judgement entered in a civil action for fraud, dishonesty, conversion, misrepresentation or any other matter involving moral turpitude which, in our sole judgement, substantially impairs the goodwill associated with us, the Marks or the System.
- (7) Operate your Practice in a manner that creates an imminent danger to public health or safety.
- (8) Transfer or attempt to Transfer this Agreement without our prior written consent.
- (9) Attempt to unilaterally repudiate this Agreement or the performance or observance of any of its terms, conditions, covenants, provisions or obligations by any conduct evidencing your intention to no longer comply with or be bound by this Agreement.
- (10) You engage or attempt to engage in any act in violation of the Confidential Information requirements of this Agreement or any other agreement between you and us or our affiliates.
- (11) At will with proper notice.

Because state laws vary, the provisions of this Agreement may state periods of notice less than those required by applicable law. They may provide for termination, cancellation, nonrenewal or the like other than according to applicable law. They will be extended or modified to comply with applicable law.

You Will Discontinue Use of Marks, Membership Program Manual, and System. Substantial damages that are difficult to determine at the date of execution of this Agreement will accrue to us if you do not comply with any of the following requirements upon expiration or termination of this Agreement. Upon expiration or termination of this Agreement, you will:

(A) Immediately cease using the Marks (or any names or marks deceptively similar to them), the Membership Program Manual and the System.

(B) Return to us all copies of the Membership Program Manual. Return to us all records, files, instructions, correspondence, and materials in your possession or control related to the System. You will give us a complete and accurate summary of your advertisers, patients and prospects, including their names, addresses, telephone numbers and related file records.

(C) Notify Internet, email, electronic network, directory and listing entities of the termination of your right to use the Marks and to instruct and authorize these entities to remove the Marks from all listings that contain the Marks or to transfer them to us or to our designee. You appoint us as your agent and attorney-in-fact to effect the de-identification or transfer of these directory listings, domain names and Internet directory listings to us. You agree that we will be treated as the subscriber for the directory listings. We will have full authority to instruct the applicable directory and listing companies on the use and disposition of the listings. You release and indemnify these companies from any damage or loss because they follow our instructions.

(D) Make reasonable modifications to the interior and exterior of any premises to reduce your identification as a part of the System. These modifications will include reasonable alterations to remove signage and marketing and promotional materials identifying or related to the Membership Program. You will advise all patients or prospective patients coming to the Premises or telephoning you that you are no longer associated with us.

(E) Abide by all provisions of the restriction upon communication of Confidential Information and the post-termination non-circumvention and non-competition covenants set forth in this Agreement and the Confidentiality and Non-Circumvention Agreement.

(F) Relinquish your rights and access to any Member information, unless otherwise required by law, and any Membership Fee accounts.

(G) Relinquish management of the memberships of any then-current Patients.

(H) Return to us all proprietary and confidential materials, including Patient lists and transaction records, codes, signage, advertising and marketing materials, service agreements and other forms, printed files, Patients account information, security codes and the like as described in the Membership Program Manual. If you fail to return or cease use of any of these items, we may enter your business premises without being guilty of trespass or any other tort to remove and retain the items. You will pay to us, on demand, any expenses we incur in trying to remove or collect the items or in attempting to have you cease use of them.

8. TRANSFER

Your rights and obligations under the Clinic Affiliation Agreement are exclusive to you. We enter the Clinic Affiliation Agreement, in part, in reliance upon the individual or collective character, skill, attitude, business ability and financial capacity of you (or your shareholders, members or partners, if you are a corporation, limited liability company, partnership or other entity). Whether voluntarily or involuntarily, neither you, your owners, partners nor others claiming an interest in the Clinic Affiliation Agreement or the License will sell, transfer, assign, encumber, give, lease,

sublease, or allow any other person to conduct business in or through (collectively called "Transfer") the whole or any part of this Agreement. Any attempted Transfer without our prior written consent will be void and shall constitute a substantial and material breach of this Agreement and good cause for termination. For greater certainty and avoidance of doubt, this Section shall also apply to any Transfer or attempted Transfer because of the death or incapacity of you or any of your partners, members or shareholders.

If you are selling your entire Practice we may allow you to also transfer this Agreement with such sale in our sole and absolute discretion. If we consent to any Transfer, the following conditions must be met:

- (1) The transferee assumes your obligations to any and all third parties. You will remain bound by your covenants in this Agreement or other agreements to not disclose Confidential Information and to not compete with our licensees or us.
- (2) The transferee executes all documents we then require of new associates or licensees, including our Then-Current Affiliation Agreement.
- (3) The transferee meets our standards for quality of character, financial capacity, and experience required of a new or renewing licensee. You will provide information we require to prove the transferee meets our standards.

Our consent to a proposed Transfer will not be a waiver of any claims we may have against you (or your owners), nor will it be a waiver of our right to demand exact compliance with this Agreement.

A. We may Transfer this Agreement. If we do it will be binding upon and inure to the benefit of our successors and assigns. Specifically, you agree that we may sell our assets, assign the Marks, or sell the System outright to a third party, go public, engage in a placement of some or all of our securities, merge, acquire other entities or be acquired by other entities, or undertake a refinancing, recapitalization, re-organization, leveraged buyout or other economic or financial restructuring. As for any or all of these sales, assignments and dispositions, you waive any claims, demands or damages arising from or related to the loss of the Marks (or any variation of them) or the loss of association with or identification as part of our system. We will not be required to remain in any particular form of business or to offer to you products, whether or not bearing our Marks.

9. INDEMNITY, INSURANCE, CONDEMNATION AND CASUALTY

9.1 Indemnity. You will indemnify and hold us harmless from all fines, suits, proceedings, claims, demands, actions, losses, attorney fees and damages arising out of or connected with or related to the License, the Practice, and the business activities, acts or omissions of you, your employees, vendors, suppliers, and agents, including those brought against you and us jointly alleging that you and we were negligent or otherwise liable. We will not be liable to you or to any other person because of your act, omission, neglect, or breach. If it is established that both you and we were negligent or otherwise liable, you and we will contribute to the relevant award, and the obligation to indemnify and hold harmless shall be determined, based upon the adjudicated and assigned respective degree of fault. In the event of a settlement prior to adjudication, you and we will agree to degrees of fault. You and we will contribute to the relevant settlement, and the obligation to indemnify and hold harmless shall be determined, based upon the agreed degree of fault. All provisions of this Section will be subject to these contribution and allocation of indemnification provisions.

You will defend us at your own expense in any legal or administrative proceeding subject to this subsection. Attorneys we approve will conduct the defense. Our approval will not be unreasonably withheld. You will immediately pay and discharge any liability rendered against

us in any proceeding, including any settlement that we approve in writing. You will not settle any claim against us without our prior written approval. In our sole discretion and upon prior written notice to you, we may settle or defend any claims against us at your expense, including attorney fees that we pay or incur in settling or defending. Promptly upon demand, you will reimburse us for any and all legal and other expenses we reasonably incur in investigating, preparing, defending, settling, compromising or paying any settlement or claim, including monies that we pay or incur in settling or defending such proceeding. At our sole discretion we may withhold such monies due to us from current and future amounts payable to you.

All references in this Agreement that provide that you will indemnify or defend us or that you will name us under any insurance policy will also mean that our affiliates, directors, officers, and employees will be also and equally indemnified, defended or named.

9.2 Insurance. During the term of your Clinic Affiliation Agreement, you will obtain and keep in force by advance payment of premium appropriate liability insurance as required by local laws and regulations of the jurisdiction within which the Premises resides. The insurance will not be limited in any way because of any insurance we maintain. Maintenance of the required insurance will not diminish your liability to us under the indemnities contained in this Agreement. We may require you to increase the minimum limits of coverage to keep pace with regular business practice and prudent insurance custom.

10. NOTICE AND MISCELLANEOUS

10.1 Notices. All notices permitted or required by this Agreement will be in writing. They may be sent by certified or registered mail, postage prepaid and “return receipt requested”. They may be delivered by Federal Express, or other reputable air courier service, requesting delivery with receipt on the most expedited basis available. Notices will be delivered to you at the Premises or your other business headquarters, to us at our headquarters (currently in South Jordan, Utah), or to other locations specified in writing. Notices may be delivered and receipted to you personally at any location.

10.2 Business Name. You will execute any documents we may from time to time direct, to be retained by us until this Agreement ends, to evidence that you abandon, relinquish, and terminate your right or interest you may claim in or to the Marks and the name **Medallus**.

10.3 We and You Are Not Joint Venturers, Partners, or Agents. You are and will remain an independent contractor. You and we are not and will never be considered joint venturers, partners, employees, or agents one for the other. Neither will have the power to bind nor obligate the other except as otherwise outlined in this Agreement. No representation will be made by either party to anyone that would create any apparent agency, employment, or partnership. You acknowledge that you are not in a fiduciary relationship with us. In all public and private records, documents, relationships, and dealings, you will show that you are an independent owner. You will maintain employee records to show clearly that you and your employees are not our employees.

10.4 Waiver. A waiver of any breach of any provision, term, covenant, or condition of this Agreement will not be a waiver of any subsequent breach of the same or any other provision, term, covenant, or condition. Any waiver of any provision of this Agreement must be set forth in writing and signed by the party granting the waiver. Any waiver we grant will not prejudice any other rights we may have, and will be subject to our continuing review. We may revoke any waiver, in our sole discretion, at any time and for any reason, effective upon delivery to you of ten days prior written notice of revocation.

10.5 Time Is of the Essence. Time and strict performance are of the essence of this Agreement.

10.6 Documents. You and your partners, shareholders, members, officers, and owners agree to execute and deliver any documents that may be necessary or appropriate during the term and upon expiration or termination of this Agreement to carry out the purposes and intent of this Agreement.

Any material violation or breach of any of these documents or of any other related agreement between the parties will be a material violation of this Agreement and of all the other documents and agreements between the parties. The non-breaching party may enforce or terminate this Agreement and any or all of the other documents and agreements as provided for enforcement or termination of this Agreement. The liability of you and your owners, shareholders, members or partners will be both joint and several. A breach of this Agreement by you or by any shareholder, member or partner will be a breach by all of the shareholders, members or partners and also by you.

You will assure that each of your owners, shareholders, general partners, members, directors, officers, managers, employees, consultants, distributors and agents will not compete with us; will not attempt to divert patients to competing businesses; will not induce the employees of us or of our licensees to leave their employment; and will keep, preserve, and protect confidential information as required by this Agreement.

10.7 Construction.

A. Entire Agreement. This document and any exhibits attached to this Agreement and the documents referred to in this Agreement will be construed together and constitute the entire agreement between the parties. In the event of conflict, the provisions of the Clinic Affiliation Agreement supersede the corresponding provisions of these Master Service Terms and Conditions. The Clinic Affiliation Agreement and these Master Service Terms and Conditions, together, supersede all prior or contemporaneous agreements, understandings, communications or negotiations, whether written or oral, with respect to the subject matter of this Agreement. There are no other oral or implied understandings between the parties with respect to the subject matter of this Agreement. Except as expressly and otherwise provided in this Agreement, this Agreement may not be modified, nor may any rights be waived or abridged, orally or by course of dealing, but only by a written instrument signed by the parties. The words "this Agreement" include any future modifications unless noted otherwise. No salesperson, representative, or other person has the authority to bind or obligate us in any way, except our president or a President at our corporate office by an instrument in writing.

B. Severability. If any part of this Agreement is declared invalid that declaration will not affect the validity of the remaining portion, which will remain in full force and effect as if this Agreement had been executed, with the invalid portion omitted. The parties declare their intention that they would have executed the remaining portion of this Agreement without including any part, parts, or portions, which may be declared invalid in the future.

10.8 Enforcement/Dispute Resolution. The rights and liabilities of the parties arising out of or relating to this Agreement will be governed by the laws of the state of Utah (except and only where federal substantive law applies, i.e., Lanham Act claims), and any dispute arising out of or relating to this Agreement will be submitted to binding arbitration in the county where our corporate headquarters is located (currently Salt Lake County, Utah), pursuant to the Commercial Arbitration Rules of the American Arbitration Association or of any similar organization that specializes in the arbitration of commercial business disputes. You acknowledge and agree that this venue is reasonable for purposes of uniformity and best meets

the interest of all of the licensees of the Medallus system, including you. Judgment on the award may be entered in any court of competent jurisdiction; provided, however, that either party may seek preliminary injunctive or other equitable relief pending arbitration to prevent irreparable harm. The prevailing party in any arbitration or litigation will be entitled to recover all reasonable expenses, including attorneys' fees in connection with the proceedings or any appeal. Any court proceedings authorized under this Section will be conducted exclusively in state or federal courts located in Salt Lake County, Utah.

The parties waive, to the fullest extent permitted by law, any right to or claim for any punitive or exemplary damages against any other party and agree that the party making any claim directly or indirectly arising from or relating to this Agreement will be limited to recovery of actual and consequential damages sustained. In addition, the parties agree, to the fullest extent permitted by law, any right to or claim for any actual or consequential damages sustained directly or indirectly from or relating to this Agreement will be limited to not more than the generally accepted value of a Medallus license which is approximately equal to the cash revenue received by that licensee over the preceding thirteen months.

If a dispute arises between the parties, the parties agree to participate in at least **6** hours of mediation in accordance with the Mediation Procedures of the American Arbitration Association or of any similar organization that specializes in the mediation of commercial business disputes. The parties agree to equally share the costs of mediation.

10.9 Agreement Binding on Successors and Assigns. Subject to the provisions of this Agreement concerning assignment and transfer, this Agreement benefits and binds the respective heirs, executors, administrators, successors, and assigns of the parties.

10.10 Counterparts and Acceptance. This Agreement will be binding upon you at the time you sign and deliver to us the Clinic Affiliation Agreement that references this Agreement or by clicking a box indicating your acceptance. The Clinic Affiliation Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, will constitute an original. Delivery of executed signature pages by digital transmission will constitute effective and binding execution and delivery.

YOU ACKNOWLEDGE THAT NEITHER WE NOR ANY OTHER PARTY HAS GUARANTEED YOUR SUCCESS IN THE BUSINESS CONTEMPLATED BY THIS AGREEMENT.
